Example: A Pro 25 earns an additional 1% (0.50) on their 3rd level. They could also earn an additional 1% on levels 4, 5, 6, 7 and so on, to infinity, until it reaches a Pro 25 or higher in the downline. If there is no Pro 25 in the downline, the 1% payment would pay forever deep.

The same Infinity Pay applies to each of the leadership levels.

As a Triple Diamond the minimum you can earn is 10 levels. However, you could be earning an Infinite number of levels deep into your downline.

20% INFINITY CODED BONUS

This qualifies you to receive 2 Premium Members from everyone else that you refer – forever.

Once anyone is coded to you, they will, in turn will code 2 more Premium Members to you, who also will code 2 more , and on and on to infinity.
